**BOK TOWER GARDENS SINGING TOWER & EL RETIRO MANSION & LUNCH \$98**

– \$98 Think Spring Blooms! When Bok Tower Gardens founder Edward W. Bok immigrated to America from the Netherlands at age six, he did not understand the language, customs or culture. Through determination and hard work, he became a highly successful publisher, Pulitzer Prize-winning author, respected humanitarian and an advocate of world peace and the environment. Bok's grandmother told him to "make you the world a bit better or more beautiful because you have lived in it," which he did throughout his lifetime, and is proven in this garden! Frederick Law Olmstead Jr., who designed Central Park, Washington DC Mall, the White House and The Biltmore Estate, was commissioned by Mr. Bok to design his garden in Lake Wales. He was given the task to change Mr. Bok's arid hill into "a spot of beauty second to none in the country." Today visit these tranquil gardens, the Carillon 60 Bell Tower's music fills the gardens daily at 1pm and 3pm, plus plenty of Springtime flowers of yellows, reds, pinks & whites. Tour El Retiro, which means "Retreat" in Spanish, a mansion built by Charles Austin Buck of Bethlehem Steel and a friend of Mr. Bok. Complete with original furnishings, this lovely 1930's Spanish designed home was the winter retreat for the Buck family and was elegantly landscaped by the same firm that landscaped Bok Tower Gardens! El Retiro was added to the National Register of Historic Places in 1985 and is now part of Bok Tower Gardens. What a beautiful way to begin Springtime in Florida!

The St. Augustine Wild Reserve is a non-profit corporation created as a rescue center for unwanted exotic animals. The Reserve will take in unwanted exotic animals as an alternative to euthanasia. Five Arctic wolves and an African lion were received from Michael Jackson, who no longer wanted them at his ranch near Santa Barbara. # ST. AUGUSTINE WILD RESERVE & LUNCH Thu., Mar. 7, 2024

**Under the shade of age old trees  
you'll find Exotic animals you  
can't see anywhere else like this!**

Come see up close Tigers, Lions, Ligers, Mountain Lions, Leopards, Servals, Caracals, Wolves, Bobcats, Coatimundi, Deer, Wart Hogs, African Geese, Speckled Crested Polish Chickens, Florida Black Bear and more for a day to remember.

But what makes this tour different is the interaction these animals have with their handlers. Each animal is taken out of his cage (not while we are there) and played with daily and the volunteers have no fear of these exotic wild animals and refer to them as their "babies." Watch as they give a 600 LB tiger a Bubble Bath and his enjoyment. Hear funny stories of their daily interaction with these beautiful animals. This is a well-kept, pristinely clean compound where the animals are cleaned and groomed on a regular basis, feed strict nutritional diets and most of all loved. The St. Augustine Wild Reserve is a non-profit corporation created as a rescue center for unwanted exotic animals. The Reserve will take in unwanted exotic animals as an alternative to euthanasia. Some of the Reserve's animals came from abusive homes. Two wolves were rescued when their owner was involved in a fatal auto accident. Many of our animals were confiscated by wildlife agencies from individuals who held these animals without proper state permits. Five Arctic wolves and an African lion were received from Michael Jackson, who no longer wanted them at his ranch near Santa Barbara. Their goal is to educate the public about exotic animal ownership, to prevent future animal abuse. A very unique experience!

**PRICE: \$95.00** Checks or Zelle Payments Only  
**TOUR PACE: ★★ Relaxed Pace, 90 minute Docent Led Walking Tour of the Reserve with benches to sit.**  
**INCLUDES:** Private Reserve Tour, Lunch, Taxes & Meal Gratuities, Group Tour Director and Motorcoach with Restroom.

## AUTHENTIC PADDLE WHEELER

**Sunday, May 12, 2024 – THE BARBARA LEE**

CRUISE from PORT OF SANFORD - 11:00AM UNTIL 2:00PM

The Rivership Barbara-Lee is an authentic sternwheeler paddleboat. The steel hull is propelled by two paddlewheels at the rear of the vessel. This 105-foot ship was built in 1986 and was extensively refurbished prior to entering service here in central Florida. The ornate wrought iron railings and wooden wheels recall the elegance of the steamers that once plied the St. Johns River from Jacksonville in the late 1800's. From its home port in charming downtown Sanford, the Barbara-Lee is taking you on a special journey to the French Quarter of New Orleans with the sounds of Kid Dutch and his New Orleans Band! The repertoire of Kid Dutch and his New Orleans Music covers everything from jazz standards to pop tunes, the blues, marches, rags, spirituals, waltzes, rhumbas, cajun, and creole tunes covering a time span from the Civil War era to today! As jazz pioneer Jelly Roll Morton used to say, tunes are played "sweet and pretty, with plenty rhythm". Relaxed tempos are used, but the music is driving, hot, exciting, danceable, and above all, FUN! The food aboard the Barbara-Lee is cooked fresh in the ship's kitchen and once onboard you will choose from entrées including Prime Rib, Tropical Chicken, Salmon Filet, Vegetable Lasagna or Entrée Salad along with their famous STICKY BUNS and appetizers, plus dessert.

Cocktails are available for a charge.
