The St. Augustine Wild Reserve is a non-profit corporation created as a rescue center for unwanted exotic animals. The Reserve will take in unwanted exotic animals as an alternative to euthanasia. Five Arctic wolves and an African lion were received from Michael Jackson, who no longer wanted them at his ranch near Santa Barbara. BOK TOWER GARDENS SINGING TOWER & EL RETIRO MANSION Holiday
Tour & Cypress Gardens Water Ski Show - LUNCH - \$98 Think Poinsettia's!
When Bok Tower Gardens founder Edward W. Bok immigrated to America from the
Netherlands at age six, he did not understand the language, customs or culture. Through

determination and hard work, he became a highly successful publisher, Pulitzer Prize-winning author, respected humanitarian and an advocate of world peace and the environment. Bok's grandmother told him to "make you the world a bit better or more beautiful because you have lived in it," which he did throughout his lifetime, and is proven in this garden! Frederick Law Olmstead Jr., who designed Central Park, Washington DC Mall, the White House and The Biltmore Estate, was commissioned by Mr. Bok to design his garden in Lake Wales. He was given the task to change Mr. Bok's arid hill into "a spot of beauty second to none in the country." Today visit these tranquil gardens, the Carillon 60 Bell Tower's music fills the gardens daily at 1pm and 3pm, plus plenty of Poinsettia's in reds, pinks & whites. Tour El Retiro, which means "Retreat" in Spanish, a mansion built by Charles Austin Buck of Bethlehem Steel and a friend of Mr. Bok. Decorated for the holidays, this lovely Spanish designed home was the winter retreat for the Buck family and was elegantly landscaped by the same firm that landscaped Bok Tower Gardens! El Retiro was added to the National Register of Historic Places in 1985 and is now part of Bok Tower Gardens. On the way home you are treated to a 1-hour water ski show by the Members of the Cypress Gardens Water Ski Team. Bring a folding lawn chair, and there will be food trucks and merchandise for sale with all proceeds going to the Ski Team to carry on this Florida tradition.

"MAY WE ALL" A HIT COUNTRY MUSICAL

SAT. MAR. 9, 2024- - 1 SEAT LEFT \$95

Stardom is nice and all, but when the bright lights stop dazzling, home and love are always waiting for you. From Brian Kelley of Florida Georgia Line - May We All is a musical about the spirit and community at the core of country music. May We All features hit songs from both modern and classic country stars, paying tribute to the legends and trailblazers that have made the music what it is today.

Harmony, Tennessee used to be called "the town that sings", but music and joy are seldom heard on

its streets these days. Singer Jenna Coates left Harmony years ago to chase fame in Nashville – only to return disillusioned and discouraged. Now Jenna will need to face the music, reconnect with the people she left behind, and make peace with her past to save herself and the small town she loves. *May We All* has a treasure trove of country hits made famous by Florida Georgia Line, Kenny Chesney, Reba McEntire, Miranda Lambert, Dolly Parton, Little Big Town, Old Dominion, Brooks & Dunn, Keith Urban, and more. ST. AUGUSTINE WILD RESERVE

& LUNCH Thu., Mar. 7, 2024 **SOLD OUT**

Under the shade of age old trees you'll find Exotic animals you can't see anywhere else like this!

Come see up close Tigers, Lions, Ligers, Mountain Lions, Leopards, Servals, Caracals, Wolves, Bobcats, Coatimundi, Deer, Wart Hogs,

But what makes this tour different is the interaction these animals have with their handlers. Each animal is taken out of his cage (not while we are there) and played with daily and the volunteers have no fear of these exotic wild animals and refer to them as their "babies." Watch as they give a 600 LB tiger a Bubble Bath and his enjoyment. Hear funny stories of their daily interaction with these beautiful animals. This is a well-kept, pristinely

clean compound where the animals are cleaned and groomed on a regular basis, feed strict nutritional diets and most of all loved. The St. Augustine Wild Reserve is a non-profit corporation created as a rescue center for unwanted exotic animals. The Reserve will take in unwanted exotic animals as an alternative to euthanasia. Some of the Reserve's animals came from abusive homes. Two wolves were rescued when their owner was involved in a fatal auto accident. Many of our animals were confiscated by wildlife agencies from individuals who held these animals without proper state permits. Five Arctic wolves and an African lion were received from Michael Jackson, who no longer wanted them at his ranch near Santa Barbara. Their goal is to educate

the public about exotic animal ownership, to prevent future animal abuse. A very unique experience!

Join us for a Fun Day in Mount Dora with a relaxing cruise through the famed Dora Canal and free time for shopping and lunch at one of the many wonderful restaurants in Historic Downtown Mount Dora!

Enjoy the relaxing idle speed which provides the perfect setting for taking in all this gorgeous area has to offer. From aquatic birds and huge canopying cypress trees, it's one of the area's most picturesque treasures. Once home to the Timucuan Indians, followed by French, Spanish and British settlers. In the late 1800s the waterway was dredged out and

widened to accommodate easier passage of steamboats and subsequently became known as the Dora Canal. In 1951, the Dora Canal was used to reshoot some of the river scenes in the now-classic movie, African Queen, starring Humphrey Bogart and Katherine Hepburn. Although it had been originally filmed in Africa, the Dora Canal was selected for the retakes because; it looks much like a wild river running through an uninhabited jungle. The canal provides great subjects for

photography, or an opportunity for a peaceful, quiet and enjoyable ride.

With free time to stroll the quaint shops and specialty boutiques along the tree lined, Historic Main Street with cafes, bakeries or ice cream shops for a special treat. A Perfect Day to enjoy Mt. Dora.
