Frederick Law Olmstead Jr., who designed Central Park, Washington DC Mall, the White House and The Biltmore Estate, was commissioned by Mr. Bok to design his garden in Lake Wales. He was given the task to change Mr. Bok's arid hill into "a spot of beauty second to none in the country." Today visit these tranquil gardens, the Carillon 60 Bell Tower's music fills the gardens daily at 1pm and 3pm, plus plenty of Poinsettia's in reds, pinks & whites. The historic downtown, listed on the National Registry of Historic Places, is a favorite destination, with shops and restaurants. Situated along the award-winning West Orange Trail, part of the 250-mile Coast to Coast (C2C) Connector Trail across Central Florida and popular with cycling enthusiasts. In the late 1800's Winter Garden was the top producing Citrus & Vegetable city in all of Florida.

Two railroad lines, both passenger and freight, stopped in Winter Garden and both depots have been preserved and now are in the Heritage Museum and the other the Central Florida Railroad Museum.

Winter Garden has gone from Citrus Boom to Bust and now its Booming again, as the cultural capital of West Orange County. The Garden Theatre, built in 1935 offers live performances, there is live music throughout the downtown on the weekends, monthly festivals and visual art at the SoBo Art Gallery. Stop in and see the hotel lobby in the 1920's Edgewater Hotel, fully restored with period antiques and a working 1920's elevator. Check it out and get a sense of the past and visitors are welcome to use the restrooms here. The unique downtown streetscapes include flower boxes, porch swings, park benches and historically preserved downtown buildings and locally owned businesses.

Winter Garden, nestled alongside beautiful Lake Apopka the fourth largest lake in Florida, is a former citrus town incorporated in 1908 and is home to more than 40,000 residents. It embodies a wealth of historical and natural assets.
