Sat., Dec. 6, 2025 –  
The Holiday Show \$141

*Elf The Musical* is the hilarious and heartwarming tale of Buddy, a young orphan whose life is changed forever when he mistakenly crawls into Santa's sack of toys one Christmas Eve. Raised by elves at the North Pole, Buddy's enormous size and limited toy-making abilities make him realize he may not quite fit in! When he discovers he is actually human, Buddy embarks on a journey to New York City to find his birth father, and in turn, helps the Big Apple and the people he meets rediscover the true meaning of Christmas. This show is really funny and you will love it.

**MENOPAUSE – THE MUSICAL \$113 – Thursday, Jan. 8, 2026**  
**MENOPAUSE – THE MUSICAL \$125 – Saturday, Jan. 31, 2026**

Menopause The Musical is a stage musical by Jeanie Linders (an Orlando native) that has been performed internationally and is known for being the longest-running scripted production in Las Vegas history. Menopause follows four women—a professional woman, an Earth Mother, an Iowa Housewife, and a Soap Star who meet at a Bloomingdale's sale in the lingerie department and bond over their shared experiences with menopause. Set to popular songs of 1950s and 60s pop hits. The show features songs that poke fun at issues like hot flashes, memory loss, and body changes, creating a fun and empowering experience for the audience. Featuring 25 parodies of classic songs you know and love, only the words are changed to add to the story. Songs like "Staying Alive" becomes "Staying Awake" and "Night Fever" becomes "Night Sweating" and "My Guy" becomes "My Thighs."
